

### **Oi-Lin Sunmilk Sunscreen**

Now with a higher SPF and paraben free, Sunmilk sunscreen provides long-lasting protection from the sun's burning rays. Ideal for your face or body and gentle enough for sensitive skin, this pH-balanced, mineral-based formula blends smoothly and evenly to safeguard skin. Lightweight and rich in herbal emollients, Sunmilk absorbs quickly so your skin never feels heavy, sticky, or greasy. Retains SPF up to 40 minutes of activity in the water.

### **Oi-Lin Deep Moisture Lotion Broad Spectrum SPF 30 Paraben Free**

Sunscreen is essential to maintaining healthy, youthful skin. It helps prevent the appearance of wrinkles and protects your skin from sun damage and skin cancer. However, most sunscreen products are greasy, heavy, hard to blend, and add an extra step to your skin care regimen.

We took our best-selling Oi-Lin® Deep Moisture Lotion and reformulated it by adding a mineral-based broad-spectrum sunscreen, which we've now made even stronger with a higher SPF. The results are an all-in-one moisturizer that's lightweight, hydrating, and protective. It blends easily into the skin so you won't even notice you're wearing sunscreen.

Best of all, Oi-Lin® Deep Moisture Lotion Broad Spectrum SPF 30 contains the same beneficial herbal extracts, vitamins, and potent antioxidants as the regular Oi-Lin® Deep Moisture Lotion, plus it's paraben free.

### **Oi-Lin® Natural Emulsion**

SPF (sun protection factor) 30 is a gentle, all-natural sunscreen. It is a highly concentrated antioxidant formula with vitamins E and A, as well as vitamin B,

which work together with citrus and herbal extracts to help skin maintain its youthful elasticity and diminish visible signs of aging.

This sunscreen is great for people with drier skin who want to prevent skin damage and signs of premature aging. It's formulated with a slightly acidic pH to protect the skin's natural acid mantle.
